February 19, 1927

Mr. A. W. Brand,
28 S. Wells Street,
Chicago, Ill.

Dear Sir:

Mr. Reilly was called away suddenly for a few days and left instructions with us to open any letter that might come from you.

I have mailed your letter to him and you should hear from him either by Tuesday or Wednesday. I know it would be impossible for him to see you within the next few days.

Very truly yours,

Curator
